JUC-31F micro-thermostat 250V2A

Created Date:2014-09-24

Posted Date : 2012-03-28
Expiry Date : 2012-06-26
Min. Order Quantity : Bulk
Price : Negotiable

Brief Product Description

JUC-31F micro-thermostat 250V2A

Product Attributes

Place of Origin	China (Mainland)
Brand Name	SHUNCHENG
Model Number	JUC-31F micro-thermostat 250V2A

Detailed Product Description

The JUC-31F small thermostat switch

System touch temperature thermostat. The thermostat switch, temperature switch, thermal protector sensitive and reliable. Apply to the circuit board for temperature control thermal overload protection.

A. Conditions of Use

鉛 Relative Humidity: 95% issued in +20 鈰 environment

鉛 atmospheric pressure :86-106Kpa

鉛 working position: Any

Two. Technical parameters

鉛 point form: 1D or 1H

The 鉛 contact load: 220VAC 1.5A or 24VDC 1.5A

鉛 Insulation resistance: normal temperature and humidity ≥ 50MΩ

(4) contact resistance: ≤ 100 mΩ

(5) Dielectric strength: ≥ 500VAC single 0.35mm

鉛 weight

Company Profile

Shenzhen along receives the electronic Limited company, is one sells: KSD301 \ KSD302 \ KSD305 \ KSD307 the single-pole \ double pole high efficiency controlled warm; Electrical machinery motor hot protector; KSD9700 hot protector; Water temperature switch, water temperature sensor, sensor, thermistor, electric current fuse, electronic components and so on temperature fuse. Mainly uses in the small household electrical appliances, the electric appliance, communication equipment domains and so on power source supply, switching power supply, battery charger, transformer, computer, telephone, domestic electric appliances, communication product, decorative lighting product, toy product, each kind of instrument, electronic ties, English plug, electrical machinery product, IT, expense electron, automobile, battery. We welcome the new old customer zealously the presence, we serve the objective is: Service customer, communal development, achievement future!!!

Company Name : Shenzhen Along Receives The Electronic Limited Company
